

Dear 2017 Onward Israel participant,

Thank you for choosing Onward Israel. In a few short months you will be landing in Israel for a unique summer experience. We are excited to meet you this summer!

How can I start learning Hebrew – or improve what I know – before I arrive?

Onward Israel and Ulpan Or are happy to offer you a special opportunity to learn Hebrew online from home before you leave for your program! The course will provide you with your own personal Hebrew language teacher, and the classes will be taught on a one-on-one basis. The course will offer you an affordable and accessible chance to get your summer off to the right start, while allowing you to advance your Hebrew language knowledge and skills.

How does it work?

The course will be divided into 8 meetings, each lasting 45 minutes (approximately 2 lessons a week for one month), which you will arrange directly with your Hebrew teacher. In addition, the course will provide you with interactive learning materials which you can download to your own electronic devices.

The courses will take place in two 'semesters' - the first from mid-March, and the second from mid-April.

Please note: Only participants who have been accepted and paid to the program are eligible for the Hebrew Course.

What do I need to do?

Click the link at the bottom of this letter to visit the registration page. There, you will be asked to fill in your details and a short assessment to determine your Hebrew level. Once you complete this stage, you must wait for an acceptance notification. Please be patient as this notification may take several days to arrive. You will be **asked to pay a registration fee of \$70** (the actual cost of the Hebrew enrichment program is much higher and is subsidized by Onward Israel). You will then be matched up with a teacher and a learning program.

Important to note!

Those who join the program are expected to take it seriously, **attend all the sessions**, prepare according to the requests of the teacher, and ultimately make the most out of the experience.

Placements are limited, so you should sign up quickly (no later than 10 days after receiving this message) if you are interested.

Conditions of acceptance:

- Prior acceptance to and payment for your program
- Willingness to take a serious role in all classes
- Registration and completion of a language assessment
- Payment of \$70 registration fee. **This fee is non-refundable**
- Once payment is confirmed, your participation will be confirmed as well
- If you are not accepted initially, you will be placed on a waiting list
- You should aim to complete the full provision of your Hebrew classes before departure to Israel

Disclaimer

The registration fee is non-refundable and no reimbursement will be given in the event of cancelled participation. In order to provide an equal chance to all applicants, the selection method will be first-come-first-serve among confirmed Onward Israel participants. Please take note of the closing date for registration and make every effort to sign up as early as possible. As we may have multiple email addresses for you, you may have received this email more than once; please only fill the registration form once in order to prevent duplications.

Good luck!
